'BARTELS'

If "tin" seems to be another commodity shrinking from the scene, look immediately to BARTELS for proven, all-purpose coatings for your steel cans. BARTELS coatings — clear or pigmented — are tough, tenacious, rust-resistant. BARTELS clear internal coatings are FDA-approved, and can "take" steam processing methods. Its pigmented coatings in custom colors fabricate well and possess tremendous hiding power. And, your assurance of quality, sanitary coatings is BARTELS — many years of experience in industrial coatings. Call BARTELS coatings specialists if you recognize a problem in this area.
